

Terms and Conditions of Service - Child

Profluence Ltd
Sarah Ellison

Independent Speech and Language Therapist
BSc Hons, MRCSLT, MASLTIP, HCPC Registered
Company Number: 08316794

I (Sarah Ellison) am a qualified Speech and Language Therapist with extensive experience – 20 years of which was in the NHS. In addition to these Terms and Conditions of Service, you should also read the Profluence Ltd Privacy Notice (e-mailed to you) and the full Privacy Policy (e-mailed to you and also available on www.profluence.co.uk) so that you know and understand what information will be collected and how this information is used.

Initial Assessment Appointment

The first appointment of up to 90 minutes will consist of meeting your child and finding out about them and their communication history. An assessment will be carried out - which may be done informally through play, conversation/rating scales, or through a standardised, formal assessment. At the end of the session I will discuss how together we can best help your child. It may be that some further in-depth assessment is needed or that we can start therapy straight away in the next session. I will sign post or refer to other professionals if necessary and only with your permission. The price of the initial appointment includes a report detailing initial findings, which will be completed within ten working days of the initial assessment appointment – unless further assessment is required.

If you have recently seen or are currently seeing a Speech and Language Therapist privately or in the NHS, it is advisable that I liaise with them in order to best help your child and so that assessments are not duplicated.

Therapy Sessions

Therapy sessions of up to 60 minutes each will be tailored to your child's needs as determined by the assessment information and results obtained in the initial appointment(s). Usually weekly or fortnightly sessions are the most beneficial initially. Generally, all required therapy materials will be provided for your child. Between sessions, you will be required to practice activities with your child and take on board advice and strategies in order for us to make the greatest amount of progress possible. I strive for sessions to be relaxed and fun, whilst maximising productivity.

School/Nursery Visits

These are classed as additional assessment/therapy sessions. Teaching staff are often keen to know how they can help a child with their therapy progress, so it can be highly beneficial to conduct one of your child's therapy sessions in school/nursery. Sometimes parents fund such a session and sometimes school/nursery will fund it themselves. Training sessions are also available for school/nursery staff where I can train them on how to best help your child to have the best experience possible on their education journey (for example, training on how to best help a child who stammers). Details available on request.

Travel Charges

A charge of 45p per mile is made for school/nursery/home visit return journeys – as calculated by Google Maps. Journeys are calculated from my base at BB5 6TD.

Payment

Payment by bank transfer (BACS) is my preferred method of payment. Other payment methods are available if required. An invoice/receipt will be provided for each transaction.

I will always seek your permission prior to carrying out any additional work (e.g. attendance at meetings or extra reports etc) that will incur extra fees.

Health Insurance

If you are claiming fees through private health insurance, you will need to pay my fees in full (as above) and then claim it back through your insurance. It is recommended that you check with your insurance company prior to booking appointments that you are covered.

Cancellations

In the event of sessions needing to be cancelled by Profluence Ltd due to unforeseen circumstances, as much notice as possible will be given and the session rearranged at the earliest opportunity. I understand that there may be situations such as illness or family circumstances which mean you need to cancel an appointment at short notice. Please contact me as soon as possible to let me know – by call or text on my work number: 07934 677750.

Missed Appointments

If you do not attend an appointment and haven't cancelled it beforehand, the full cost of the session will apply.

Use of Video and Telehealth (Online) Sessions

Some assessment and therapy techniques involve the use of video to record your child and their interactions with you. Please see the Privacy Policy for further details.

Where Telehealth (online) sessions are required, 'Zoom' is used. Please see the Privacy Policy for further details.

Electronic Communication

E-mail, text messaging and Zoom are not deemed to be 100% secure methods of communication but they are very convenient to use. Please see the Privacy Policy for details of possible usage.

Discharge Criteria

You are free to withdraw your child from treatment at any time. The therapist may also withdraw treatment and discharge your child for a variety of reasons. Please see the Privacy Policy for further details.

Review of Terms, Conditions and Fees

This document and the fees payable to Profluence Ltd will be reviewed as required. A minimum of 30 days' notice will be given to existing patients of any significant changes.

Complaints

If you are unhappy with any aspect of the service provided to you by Profluence Ltd, please contact Sarah Ellison to discuss your concerns. Every attempt will be made to resolve the issue through discussion. Concerns about any independent Speech and Language Therapist can be directed to ASLTIP (www.helpwithtalking.com) or HCPC (www.hcpc-uk.org).

Signed Confirmation
